## #3 CSA TERMS

**By becoming a member of We Grow LLC:** I agree to share in the bounty as well as the limitations that weather conditions dictate. I agree to read the weekly information included in my share. I understand that if I can't pick up my share (or arrange to have someone else pick up) during the designated times, my share for the week will be retained by the farm. If I can not finish the season, I may reassign my share to another household. I understand that we do not issue refunds or credits. The share season will be 18-20 weeks long.
